ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received by the Board of Patent Appeals and Interferences on September 22, 2008. A review of the application revealed that it is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner to address the following matter(s) requiring attention prior to docketing.

EXAMINER'S ANSWER

MISSING CERTIFIED TRANSLATION

The Examiner relied on the foreign reference Siebels in rejecting the claims. A full certified English translation of the above noted foreign reference is not of record in the Image File Wrapper (IFW).

When an Examiner relies on a document “in a language other than English, a translation *must* be obtained so that the record is clear as to the precise facts the examiner is relying upon in support of the rejection” (emphasis added). MPEP §1207.02. Pursuant to a memorandum dated April 29, 2002 by Stephen G. Kunin, Deputy Commissioner for Patent Examination Policy:

Effective immediately, no appeal should be forwarded to the Board of Patent Appeals and Interferences for decision where: (1) a rejection is supported in whole or part by an abstract without reference to the underlying document, . . . ; or (2) a rejection is supported in whole or part by a prior art document not in the English language, unless accompanied by a translation of the prior art document into English.

The memorandum also states “[i]f the document is in a language other than English and the examiner seeks to rely on that document, a translation *must* be obtained so that the record is clear as to the precise facts the examiner is relying upon in support of the rejection” (emphasis added).

INFORMATION DISCLOSURE STATEMENT

Appellant filed an Information Disclosure Statement (IDS) dated December 3, 2001. There is no indication on the record that the Examiner has considered the *second page* of the above Information Disclosure Statement. MPEP § 609 requires the Examiner to consider any Information Disclosure Statement filed by Applicant if timely submitted. A written communication notifying Appellant of the Examiner's consideration of the above Information Disclosure Statement is required.

CONCLUSION

Accordingly, it is ORDERED that the application is returned to the Examiner:

- 1) to obtain full certified English language translation of the above noted foreign reference;
- 2) to complete the IFW by having the translation obtained scanned into the IFW file;
- 3) to provide copies of the translations obtained to Appellant(s);
- 4) consider the Information Disclosure Statement filed December 3, 2001; and
- 5) for such further action as may be appropriate.

If there are any questions pertaining to this Order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
